

2430 "E" Street, N. W.  
Washington, D. C.  
1 February 1954

25X1A9A

Reference is made to your letter of 27 January 1954, same subject and oral discussion of same. The matter has been discussed with our electrical engineer and with Mr. [redacted], both of whom agree that the advantage to be gained is not in proportion with the additional cost involved, and that the work as designed will be quite satisfactory.

25X1A9A

The proposal is therefore rejected.

Very truly yours,
